TIPS FOR SELF-TAPES

1. Frame the talent from head to toe. Start off with an introduction (slate) looking into the camera (more information on what we need for your slate are on the cover page below on page four)
2. Sides: Zoom in so that the talent is framed from the top of the head to the mid-chest area **ONLY**, and keep that frame for the whole audition. There should be little to no space over the top of the talents head. Be sure that the lighting is bright. Make sure that the sound quality is clear. It is very important that we can clearly see and hear you!
3. Now, do the scene(s)! (Scene(s) are attached at the bottom of this audition package)
 - Make sure to have a reader (this person reads all the other lines that are not the lines of the role you're auditioning for)
 - **DO NOT** have the reader read aloud any of the stage directions. The reader only reads the lines for the other role(s).
 - Reminder to look natural, be energetic, have fun, and just be yourself!
4. Feel free to tape the scene's as many times as you'd like, but only send us **one** take, the **BEST** take for the final submission.

NOTE: Please refer to the cover page on page 4 that notes everything we need

5. Send forms, and self-tape in **ONE** email to: kpopseriescastingcanada@gmail.com
 - Audition videos should be sent via a link such as Google Drive or Vimeo.
 - Please make sure to set the privacy settings so that the video(s) are **UNLISTED**. Auditions must not be made public. Auditions must also **NOT BE LISTED AS PRIVATE**. If you send us a private link we will be emailing you to change it to unlisted.

INT. HANNAH BEDROOM - AFTERNOON 2

Hannah wakes up in her bedroom. KPOP music blasts through the walls. Hannah bangs on it furious.

START SC.1 →

HANNAH
LEO!!!! TURN IT OFF!!!

She sits up in her bed and looks around. Her room is chaos. LEO SHIN(17), bi-racial Korean Canadian, dorky but cool, slides into the room like a dancer.

LEO
Aren't you supposed to be packed?

HANNAH
It's...in progress.

LEO
If I was you I'd burn all these fits and get a whole new wardrobe in Seoul.

HANNAH
I know I know, Gangnam style. But...this is cool too right?

Hannah holds up a not cool sweater.

LEO
Well, if you wanna look like a librarian from the 90's...then that's perfect.

HANNAH
I'm gonna be the coolest english teacher these grade ones have ever seen. Soon you won't be able to call me banana anymore cuz I'm gonna be yellow on the outside AND the inside.

LEO
Good luck with that Hannah BANANA.

HANNAH
You're too young for dad jokes.

LEO
And you're too young for mom sweaters.

HANNAH (CONT'D)

*Wait, they don't love you like I
love you, Wait, they don't love you
like I love you*

The power of the song is undeniable as the room starts to pay attention. Heads turn when... Chan Mi walks towards the stage. She just so happens to have her own microphone. It's gold. Of course. To match her nails. She joins Hannah

CHAN MI

*Wait, they don't love you like I
love you, Wait, they don't love you
like I love you
Maps*

HANNAH AND CHAN MI

*Wait, they don't love you like I
love you!*

The two sing in perfect harmony. Hannah and Chan Mi look at each other, and through the bond of music, connect.

INT. SHIN HOME / KITCHEN - DAY

Leo walks in and finds Shaun and Julie are eating breakfast and giggling. Julie is hanging up a sequined blazer. She looks to Shaun flirty.

START SC.2 →

JULIE

Remember that time you sang to me
from stage wearing this?

Leo realizes he walked in on something.

LEO

Um. Guys, what's happening?

JULIE

Oh nothing. Just all the Kpop talk
got us reminiscing.

LEO

Um. Ok but I have to show you
something.

Leo takes his phone and puts it on the table. He presses play. Footage of Hannah falling down during her dance class with the #KFLOP plastered all throughout the image as her falling loops over and over.

LEO (CONT'D)

It's a meme. Hannah's a GIF. And she's kinda viral.

SHAUN

Julie...

JULIE

Shaun.

SHAUN

She has to come back. She needs to be with her family.

JULIE

No Shaun. If she quits now, she'll know that quitting is an option and as you say...

SHAUN

Quitting is not an option.

LEO

Aw man. She doesn't even like Kpop. She doesn't know the dances, the fashion, the songs...

Leo shoots Julie and Shaun an inspired look.

LEO (CONT'D)

Dad, you want Hannah to be with family.

SHAUN

She should be with her family.

LEO

And mom, you think she should stay and learn.

JULIE

Even if it was hard.

LEO

Then I know how you can both get what you want!

SHAUN AND JULIE

How?

LEO

Let me go to Korea and babysit my baby sister.

Leo takes his father's 90 sequined jacket.

LEO (CONT'D)

I even have the wardrobe for it and
everything.

← **END SC.2**

Off Leo, ready for an adventure!
