9 GRANDMOTHER 9
 <SCOFF> *Real* magic is what Unicorn
 Riders are here to protect. Or did
 you forget that, when you left us
 to gallivant about the world?

Ivy's smile drops. You could cut the tension with a knife.

10 IVY 10
 Lovely to see you too, Grandmother.

As soon as grandmother exits, Ivy rolls her eyes at Regina.

11 IVY (CONT'D) 11
 Pfft. They talk about legends and
 heroes, but it's all secret! What's
 the point of doing something, if no
 one *knows* how amazing you are?
 We'll see how smug she's feeling
 when *my* tour film pays for *her*
 retirement home.
 (aside, to Regina)
 It's narrated by my dear friend
 Taylor.

12 REGINA 12
 Swift?!

13 IVY 13
 Regina, please. Name-dropping is so
 gauche.

2 **INT. UNICORN ACADEMY - NIGHT** 2

Ivy speaks to the EVIL KING through a MAGIC MIRROR.

14 IVY 14
 I told you - I will bring you
 Felix, but it takes time. He's
 always around his friends. I need
 to get him alone--

SATURN whinnies with concern -- someone's coming.

15 IVY (CONT'D) 15
 Quiet, Saturn. How many times have
 I told you--

MEG enters. Ivy hides the mirror, plasters on a smile--

16 IVY (CONT'D) 16
 Oh, hey girlie! How's my number one
 stan? How're the merch ideas coming
 along for the fan club?

3 **EXT. UNICORN ACADEMY - NIGHT** 3

Ivy is in full VILLAIN MODE. She's stolen the magical CRYSTAL
 NECKLACE, and used it to steal magic from the unicorns!

17 REGINA 17
 Don't do this. Think of our family--

18 IVY 18
 Our *family*? All I've ever done is
 think about our family! I thought I
 could make them realize how great I
 was, what I had to offer - but they
 never saw me. I conquered the
 world, but they only care about
Unicorn Riders, like you! Well you
 can *have* the family. I'm done
 asking for approval. I'm done with
 all of this!

19 REGINA 19
 You can't steal the unicorn's
 magic. It will destroy the island!

20 IVY 20
 I don't care! What has this place
 ever done for me? I was never good
 enough, so I *left*. But now, I've
 got fame, fortune, and the Crystal
 Necklace. I'm more powerful than
 any Unicorn Rider could ever hope
 to be! I'll have everything, and
 what will they have? Nothing!

Ivy softens, offers hand to Regina.

21 IVY (CONT'D) 21
 Cousin, come with me. We can leave
 this island together, and make our
 own destiny. No more trying to live
 up to some stupid legacy!

22 REGINA 22
 No -- no way!

Ivy hardens.

IVY

If you're not going to join me,
then stay out of my way. I've got a
boat to catch.
